Description

NEW Excellence standard

This new 4-wheeler scooter is the symbol of the Shoprider Excellence standard loaded with features. It has numerous upgraded characteristics ensuring the best ride quality and smooth handling. It includes Gas Adjustable Tiller & Rear Adjustable Suspension plus all the luxury features you expect from a Shoprider scooter including a Powerful Motor, Super Comfortable seat, LED Lighting and Digital Dashboard. The 889AE comes with large fancy looking Spoke Mag Rims and gives the scooter a great ground clearance and the ability to absorb and traverse over bumps.

Features

- Gas adjustable steering tiller
- Front + Rear (Adjustable) suspension
- Full light package: Twin Headlights (LED), Rear lights, Hazard lights
- LCD display
- Indicators / Hazard lights
- USB power outlet
